

Your online safety isn't a game.

Things you do on the internet are public and permanent. Don't share passwords, personal information, or inappropriate photos online.

Scan to learn more.

Want your reputation hanging by a thread?

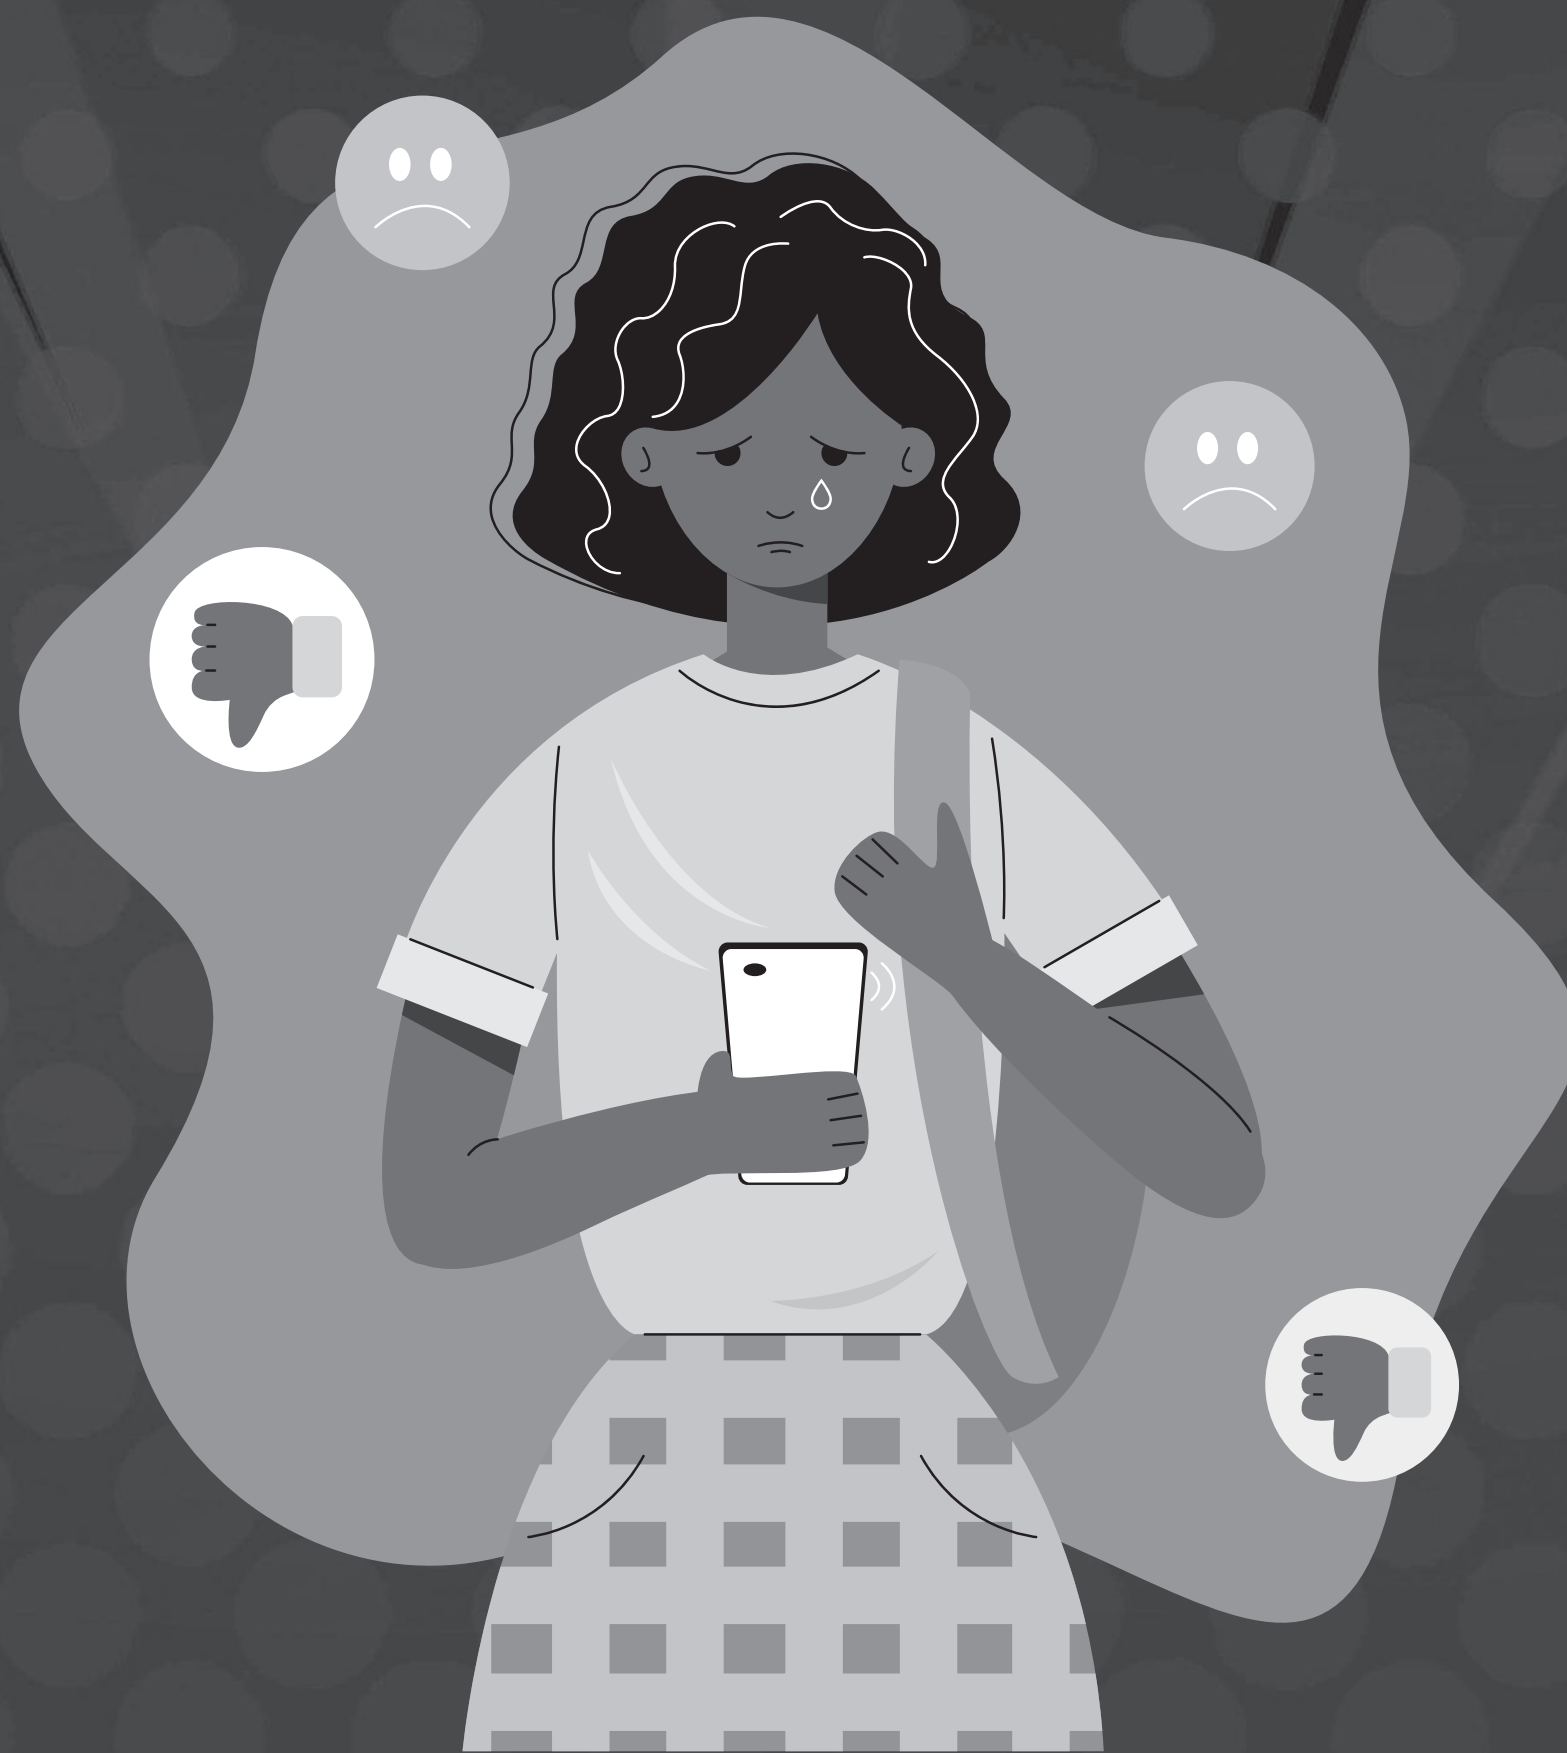

Your words and images can live online forever, even when you hit delete.
Don't post inappropriate, disrespectful, or personal information on
social media – it will come back to bite you later.

Scan to learn more.

Some things are better left not shared.

Don't get caught in the heat of the moment. Don't post inappropriate, threatening or disrespectful materials online. You could do some potentially serious damage.
